For the team time trial times will transfer according to article 2.6.025 of UCI rules as follows:

Classification in the team time trial is counted in the general team classification and general individual classification.

The time of each team determines the time of the rider who crossed the finishing line on 4th place.

A) Each rider of the team who arrived to the finish at the same time as the fourth rider or at better time will get the same time as the fourth rider.

B) Riders crossing the finishing line at worse time than the time of the fourth rider of the team, will get a real time of the crossing the finish.

Times stated above under A) or B) are counted with a precision of whole seconds in general individual classification. Measured fractions of seconds are not taken into consideration for the total classification.

The real time reached by the 4th rider of the team is counted in the general team classification.

12. Time limit

For each mass start stage the time limit is set to 15% of stage winner's time. No time limit for the 1st stage.

In exceptional cases only, unpredictable and of force majeure, the commissaries panel may extend the finishing time limits after consultation with the organiser.

In case riders out of time limit are given a second chance by the judges, they shall have confiscated the equivalent points awarded to the winner of this stage to their individual general classification by points even if their points total in this classification becomes negative.

13. Classifications
